Dear Sir:

In response to the Office Action dated August 23, 2002, please amend the above-identified application in accordance with the following instructions:

In the Claims:

27. (Amended) A fire-fighting emergency response vehicle, said vehicle comprising:
a wedge-shaped nose, wherein said wedge-shaped nose further comprises a top surface,
a bottom surface, and at least two side surfaces and wherein said top, bottom, and at least two side
surfaces are angled to comprise said wedge-shaped nose;
at least one emergency response fluid delivery tank; and
an engine.
